

Please try to stop Sinclair Broadcasting from airing a 1.5 hr campaign propaganda program, "Stolen Honor". meant to personally smear John Kerry and impugn the integrity, and heroism shown by him and many other Veterans who served us in the Vietnam War. As you know, they are attempting to broadcast this as "news" when it is nothing more than a pack of vicious lies and distortions about the man who may be our next Commander in Chief.

You have a duty-- the solemn responsibility... to stop this unfair broadcast, not only to be fair to John Kerry, but to be fair to ALL of us--the Public... to the integrity of our airwaves and media. This is simply not news-- it is desperate political propaganda meant to prop up re-election bid by President Bush.

"Stolen Honor" ...the title of the program- is a fitting title-- it is stealing from the public, and betraying our trust that our media is truly free and fair. Your honor will appear to have been stolen if you do not stand up to them and stop this extreme right wing attack right before the election!  
I have the upmost faith that you will stop this and preserve our airwaves.

Thank you,  
Carla Johnson from Inver Grove Heights, MN
